Beauty of Nature
Shakespearean Sonnet

The vibrant clouds are pleasing to the eyes
Rustling leaves from the trees, sweet sound to ears
Cold breeze touches the skin, soothing surprise
Wonderful feeling that sparks human care

Vastness of flora, Amazing fauna
Fascinating birds flying in the skies
Beautiful flowers swaying with drama
Brilliantly crafted, loads of surprises

More than the eyes could see and ears could hear
Beauty of nature, comfort to the soul
Show love to Loving God that is so dear
Treasure our nature should always our goal

Majestic scene, speaks of amazing grace
