Remedial Lecture in Zoology

The Department of Zoology organized a remedial lecture for the slow learners of the department on 01.12.2021. Some students are removed from their regular classroom and taught in another setting. Some students require the extra help. The ultimate aim of remedial teaching is to help students who have fallen behind to learn to the best of their ability and bring them back into the mainstream classes. The department conducted Remedial classes along with regular teaching. 13 students were present in the remedial class.
