Report of Activity / Programme Conducted

NAME OF ACTIVITY / PROGRAM : HOW TO CHOOSE HAPPINESS IN OUR DAILY ROUTINE			
Objective of Activity: Happiness is a skill, so in order to more easily figure out the best ways to learn this skill. This program is organised to choose happiness in our daily routine which could impart useful insights.			
Inaugurated by the Principal Prof Dr Vinay Chavan			
Date of Activity	23rd Dec 2023	Place of Activity	Google meet
Number of Students Participated	65	Number of Teachers Participated	10
Organised by Department of Biochemistry Under MBSS			
Collaboration (if any): Nil			
Report Department of Biochemistry of Seth Kesarimal Porwal College, Kamptee organized a soft skill online event on how to choose happiness in our daily routine on 23rd Dec 2023 speaker was Ms Jasneet Srivastava. The program was attended by a large no of faculties and Students. The program was conducted by our own students Ms Vaibhavi Sayare and Ms Simran Barve Proposed the vote of thanks. Youtube link: https://youtu.be/e0mrwBk1Crg?feature=shared			
Outcome of Activity Students are made aware about the happiness goal,with regard to happiness, students do not have a very good sense of what strategies will improve emotions. they often fail to understand the nuances that can make an otherwise effective happiness skill fail. And, we can't help but think we understand the basic processes of happiness skills that are popular in the media. But learning happiness skills is tough. We have to be careful and tread lightly.
