Report	
<p>'Har Ghar Tiranga' rally was organized on 14<sup>th</sup> August 2023 by the NSS Unit of the college under the aegis of Meri Mati Mera Desh Campaign to inculcate the feeling of patriotism among the students and the people of Kamptee. The rally was led by the principal of college Prof. Dr. Vinay Chavan. NSS Program Officer Dr. Vinod Shende, Lady Officer Dr. Nishita Ambade, Dr. Tushar Chaudhari, Dr. Iftekhar Hussain, Dr. Satish Dudure, Dr. Durga Pande and Prof. Mohammad Asrar accompanied the rally from college to Sudarshan Nagar. Students were shouting the patriotic slogans during the rally. They tried to explain the importance of National Flag through their conversation with the people of Kamptee. On this occasion, Dr. Vinod Shende spoke about Azadi ka Amrit Mahotsav, Har Ghar Tiranga and Meri Mati Mera Desh Campaign. Principal Dr. Vinay Chavan exhorted the gathering about their duties for the nation. In his speech he appealed to the NSS volunteers to think of their duties rather than rights. Total 156 NSS volunteers participated in this rally. The program was conducted by Dr. Nishita Ambade while vote of thanks was proposed by Dr. Durga Pande.</p>	
Outcome of Activity	Students will come to know the importance of the National Flag. They will hoist the flag at their home with respect and also motivate others to respect the same.

<p>सेठ केसरीमल पोरवाल महाविद्यालयाच्या समाजशास्त्र विभागाकडून सर कस्तुरचंद डागा बालसदन, बालगृह, अनाथालयाला भेट देण्यात आली. सर्वप्रथम अनाथालयातील अधीक्षक श्री. पी.एस.लुटे यांना भेटून अनाथालयातील मुलांची माहिती घेतली. त्यांच्या सांगण्यावरून तेथील समाजसेविका सरोज गायकवाड यांना भेटून समोरचा पूर्ण कार्यक्रम आखला व संपूर्ण माहिती जाणून घेतली. अनाथालय सन 1966 मध्ये सुरू झाले त्यांचे नाव हिंदू अनाथालय होते व नंतर स्वामी विवेकानंद बालसदन ठेवण्यात आले त्यानंतर सन 2016 ला सर कस्तुरचंद डागा हे नाव ठेवण्यात आले. त्यांनी सांगितले की या अनाथालयात अनाथ मुलं ज्यांचे आई वडिल सांभाळ करू शकत नाही ते स्वतः मुलांना सोडून जातात. काही भटकलेल्या अवस्थेत येतात. येथे येणारी सर्व मुले ही बाल कल्याण समीतीतून येतात. सद्यास्थित 0 ते 12 वयोगटातील 22 अनाथ मुले मुले-मुली येथे वास्तव्यास आहेत. येथे हा प्रयत्न केला जातो की जे पूर्ण पणे अनाथ आहेत ज्यांचे आई वडील नाही अश्या मुलांना लवकरात लवकर दत्तक करवून घेणे हा त्यांच्या उद्देश असतो कारण 12 वर्षापर्यंतच तिथे हे मुले मुली राहू शकतात. लहान असले की दत्तक करिता समस्या जास्त निर्माण होत नाही व मुलं ही आपली मानसिकता तयार करून घेतात की आई वडिल पाहिजे व त्यांची खरंच त्यांना गरज आहे ही सर्व माहिती सरोज मैडम ने दिली. त्यासोबतच येथील मुलांना विदेशात ही दत्तक घेतल्याची महत्वाची माहिती दिली. विद्यार्थ्यांनी विचारलेल्या प्रश्नांची उत्तरे ही सरोज गायकवाड मैडम ने दिली. विद्यार्थी अनाथालयातील मुलांना भेटली व त्यांना प्रश्न विचारले व त्यांच्या समस्या जाणून घेतल्या व त्यांना चौकलेट, बिस्कीट, वेफर्स, फळे इत्यादी खाद्यपदार्थ वाटले.</p>

<b>NAME OF ACTIVITY / PROGRAM : HOW TO CHOOSE HAPPINESS IN OUR DAILY ROUTINE</b>			
Objective of Activity: Happiness is a skill, so in order to more easily figure out the best ways to learn this skill. This program is organised to choose happiness in our daily routine which could impart useful insights.			
Inaugurated by the Principal Prof Dr Vinay Chavan			
Date of Activity	23rd Dec 2023	Place of Activity	Google meet
Number of Students Participated	65	Number of Teachers Participated	10
Organised by Department of Biochemistry Under MBSS			
Collaboration (if any): Nil			
<b>Report</b>  Department of Biochemistry of Seth Kesarimal Porwal College, Kamptee organized a soft skill online event on how to choose happiness in our daily routine on 23rd Dec 2023 speaker was Ms Jasneet Srivastava. The program was attended by a large no of faculties and Students. The program was conducted by our own students Ms Vaibhavi Sayare and Ms Simran Barve Proposed the vote of thanks. Youtube link: <a href="https://youtu.be/e0mrwBk1Crg?feature=shared">https://youtu.be/e0mrwBk1Crg?feature=shared</a>			
<b>Outcome of Activity</b> Students are made aware about the happiness goal,with regard to happiness, students do not have a very good sense of what strategies will improve emotions. they often fail to understand the nuances that can make an otherwise effective happiness skill fail. And, we can't help but think we understand the basic processes of happiness skills that are popular in the media. But learning happiness skills is tough. We have to be careful and tread lightly.

Report			
<p>Department of Biochemistry of Seth Kesarimal Porwal College, Kamptee organized a seminar on “COMPETITIVE EXAMS AND FUTURE PROSPECTS IN LIFESCIENCES” on Dated 25<sup>th</sup> January 2024 in collaboration with Dr Ambedkar College, Deekshabhumi, Nagpur. Students enthusiastically participated in the event. total 46 students attended and were benefitted. The session started with a welcome note and compeering by Ms Nausheen Fathema, She further addressed the gathering and introduced the speaker. The session was then continued by the eminent speaker Dr Utpal Dongre, Head Department of Biochemistry, He gave a brief introduction by quoting James Clear ‘many people think they lack motivation when what they really lack is clarity’. The session continued with a fun filled activity by mapping various life-science job choices that students preffered. Furthermore, he classified the jobs into classic and non classic jobs. He explained how non classic job choices were easily ignored. He briefed each and every job choices and enlightened us about various fields. The guest speaker elaborated were aspects like Choosing what to study after B.Sc by making critical and career-defining decisions. He stressed that unfortunately, too many students begin career planning at the last minute and end up choosing paths that are popular, but not suited to their aptitudes. Therefore, it is important to begin early and to know what options lay ahead of you after their degree so that they can make an intelligent and calculated decision. Students often miss out on potentially great career choices due to lack of timely information.</p>			
Feedback			
The audiences were satisfied by the session which provided them with an insight about various job opportunities.			
Outcome of Activity:			
The lecture was a thought provoking one for the students and emphasized on the importance of a long term goal and the things to be kept in mind while achieving it. The students gained information about various opportunities available to them after their graduation. As the students at a juncture where they will take major decisions about their career choice and higher education the knowledge learnt for the lecture will prove to be extremely useful. The final take away from the lecture is a career choice should always focus on the happiness and satisfaction one achieves at the end of the day rather the focus being mainly on the monetary benefits one reaps out of it.

# Seven Day NSS Camp

## Report

NSS Unit of Seth Kesarimal Porwal College of Arts, Science and Commerce organized a Seven Day Special NSS Camp at Ghorpad village from 05/02/2024 to 11/02/2024. Total 100 volunteers of NSS participated in this camp. The inauguration of this program was done on 5<sup>th</sup> February 2024 at 2.00 pm. at the hands of Dr. Satish Chafle, Advisor, NSS Committee, Maharashtra State. Sau Tarabai Kadu, Sarpanch of Ghorpad village, Vice-Principal Dr. Manish Chakravarty, Vice-Principal Dr. Renu Tiwari, NSS Program Officer Dr. Vinod Shende, Lady Program Officer Dr. Nishita Ambade, Dr. Ratiram Chaudhary and Dr. Tushar Chaudhari were also present on the dais. Program Officer Dr. Vinod Shende in his introductory remarks cleared the objectives of the seven-day NSS camp and discussed in detail the proceedings and different activities to be conducted in next seven days. Sarpanch Sau. Tarabai Kadu welcomed the students in her village and ensured everyone to be with the campers throughout next seven days. Dr. Satish Chafle in his address motivated the volunteers to serve for the nation. He also mentioned the volunteers as 'Yuva' and 'Vayu' who can actually transform the energy among each other for the betterment and development of the society. Dr. Manish Chakravarty in his presidential address congratulated the program officers for organizing the camp and appealed to the volunteers to make the camp successful by participating in it wholeheartedly. The program was conducted by Dr. Mahesh Jogi while Dr. Nishita Ambade proposed the formal vote of thanks. Dr. Dipak Bhavsagar, Dr. Rajesh Parate, Dr. Samruddhi Tapre and Dr. Manjiri Nagmote worked hard for the success of the event.

During these seven days, different activities like yoga, meditation, Prabhat pheri, morning assembly, prayer, swachhata abhiyan, path natya, guest lectures, games and cultural activities were conducted in the camp. The theme of each day was different. The volunteers were given the tasks based on the theme of the day. Superstition Eradication, Nasha Mukti, Swachhata Abhiyan, Importance of Education, Voting Awareness, Health Awareness, Beti Padho Beti Bacho Campaign, Say No to Plastic Abhiyan were the themes on which the volunteers actually worked hard for seven days. The valedictory program was organized on 10<sup>th</sup> February. Principal Prof. Dr. Vinay Chavan presided over the program while Secretary Grampanchayat Ghorpad Shri Shyam Unchekar was the chief guest. Sarpanch Sau. Tarabai Kadu, Vice-Principal Dr. Manish Chakravarty, Vice-Principal Dr. Renu Tiwari, NSS Program Officer Dr. Vinod Shende, Lady Program Officer Dr. Nishita Ambade were also present on the dais. Villagers have also shown their attendance in different programmes conducted during the camp.

## Educational Tour Report: At Mohanlal Sukhadia University, Udaipur

### **"Journey of Learning: An Educational Tour"**

On February 12, 2024, students of the M.Sc. Microbiology 1<sup>st</sup> year and 2<sup>nd</sup> year visited the Mohanlal Sukhadia University, Udaipur, India. Mohanlal Sukhadia University also called university of Udaipur is a public university in Udaipur city in the Indian State of Rajasthan. The earlier agricultural university of 1956 was turned into a multi- faculty university in 1964 and named University in 1984 it was renamed Mohanlal Sukhadia University in Memory of politician Mohanlal Sukhadia. The university has two campus spread over an area of more than 600 acres of land. Lastly, the university was accredited at A+ Grade by NAAC Bangalore, with a CGPA of 3.26

The purpose of the educational tour was to create interest in the field of Microbiology and to provide practical exposure to the various departments of University. Educational tours provide an opportunity for learners to engage in hands-on, experiential learning that complements classroom learning. During the tour, the students were able to visit various departments and research labs of university, including the Immunology Department, Molecular Biology Department, and Epidemiology Department. The students also had the opportunity to interact with the staff and researchers at university and learn about their ongoing research projects. In the Microbiology Department, the students were given a detailed presentation on the various types of microorganisms, their characteristics, and their role in causing diseases. They were also given a demonstration on how to culture and identify different types of microorganisms. In the Immunology Department, the students learned about the human immune system and how it fights against infections. They were also given a demonstration on how to isolate and characterize different types of immune cells. In the Molecular Biology Department, the students were introduced to the techniques used in genetic engineering and gene therapy. They were also shown how to extract and analyze DNA from different sources. In the Epidemiology Department, the students were given an overview of how diseases spread and how they can be controlled through various preventive measures. They were also shown how to conduct a basic epidemiological study. Overall, the educational tour to Sukhadia University was a great

success. The students were able to gain practical exposure to the various departments of university and learn about the ongoing research projects. The tour also helped to create interest in the field of microbiology and motivated the students to pursue further studies in this field.

**Recommendations:** Based on our visit, we recommend that Sukhadiya University organize more educational tours for students interested in microbiology and related fields. This would help to promote practical learning and provide exposure to the latest research in the field. We also recommend that They provide more hands-on training opportunities for students to work on ongoing research projects. **Conclusion:** The educational tour to Mohanlal Sukhadiya University was a great learning experience for the students of the M.Sc. Microbiology program. It provided practical exposure to the various departments of Mohanlal Sukhadiya University and helped to create interest in the field of microbiology. We thank Mohanlal Sukhadiya University for their hospitality and support in organizing the tour.

**Learning outcomes:**

1. Educational tours at research institutions provide students with an opportunity to learn about new ideas and concepts that they may not have been exposed to in the classroom.
2. Educational tours visit to research institute can broaden their knowledge base and stimulate their curiosity.
3. Hands-on experience: Research institutions often offer hands-on experiences that allow students to participate in scientific experiments and gain practical skills that they can apply in their future studies or careers.
4. Networking opportunities: Educational tours can also provide students with an opportunity to meet and network with professionals in their field of interest.
5. This can help students to build connections and gain insights into potential career paths.
6. Improved critical thinking skills: By engaging with new concepts and ideas, students are challenged to think critically and apply their knowledge in new ways. This can help to develop their analytical and problem-solving skills.

7. Increased motivation and engagement: Educational tours can help to motivate students and increase their engagement with their studies. By seeing the practical applications of what they are learning, students may become more interested in their studies and more motivated to pursue careers in related fields. Overall, an educational tour at a research institution can provide students with a valuable learning experience that complements their classroom studies and helps to prepare them for future academic and career opportunities.

## Conclusion

An educational tour can be an enriching and valuable experience for students, providing them with an opportunity to learn in a hands-on and immersive environment. The conclusion of an educational tour should emphasize the key takeaways and learning outcomes of the experience. In the conclusion of an educational tour, it is important to recap the main activities and experiences of the tour, highlighting the most significant learning moments. This may include new knowledge gained, skills developed, or insights into a particular field or industry. The conclusion should also emphasize the importance of the educational tour and its relevance to the students' academic and career goals. This may include discussing how the experience has inspired students to pursue further studies or careers in related fields, or how it has broadened their understanding of a particular subject. Finally, the conclusion should encourage students to continue learning and exploring outside of the classroom, and to seek out new experiences that can enhance their knowledge and skills. The goal of an educational tour is to inspire lifelong learning and growth, and the conclusion should reinforce this message and encourage students to continue their educational journeys.

<b>NAME OF ACTIVITY / PROGRAM : BLOOD GROUP DETECTION CAMP</b>			
Objective of Activity: Blood typing is a test that determines a person's blood type. The test is essential if you need a blood transfusion or are planning to donate blood. Not all blood types are compatible, so it's important to know your blood group. Receiving blood that's incompatible with your blood type could trigger a dangerous immune response.			
Inaugurated by the Principal Prof Dr Vinay Chavan			
Date of Activity	05.03.2024	Place of Activity	College Library Hall
Number of Students Participated	19	Number of Teachers Participated	15
Organised by Department Of Biochemistry Under MBSS			
Collaboration (if any): Ayushmans Medical Paramedical College, Kamptee

<b><u>Report in brief</u></b>	
<p>On 20<sup>th</sup> March a lecture is organized by department of economics to give information about NEP and its importance in economics. How the syllabus become career oriented and it is going to help in their future endeavour. Why field visits and internship if necessary for them. Dr. Renu Tiwari said that, by offering internships, the NEP 2020 aims to equip graduates with the practical skills and experience needed to thrive professionally.</p> <p>The National Education Policy of 2020 aims to support India in achieving its UN Sustainable Development Goal 4, which focuses on ensuring inclusive and equitable quality education. The policy advocates for internships in both private and public sectors for undergraduate students, providing them with valuable industry experience and aligning education with employment. Dr. S.H. Meshram answered the questions asked by the students related to NEP.</p>
