Who is the ‘he’ referred to here?
- The Vicar
  - The Church-warden
  - The Duke
  - Edward Albert Foreman**

#### 4. Synthesis of Science and Spirituality by Dr. Vijay Bhatkar

1. What, according to Dr. Vijay Bhatkar, is unique about the Vedic perspective on science and spirituality?
- It is based only on science
  - It is based only on spirituality
  - Science can be understood without spirituality and spirituality can be understood without science.
  - Science cannot be completely understood without Spirituality and Spirituality cannot be understood without Science.**
2. What according to Dr. Bhatkar, is the objective of Humanity?
- To create an advanced society only in terms of Spirituality.

- To create an advanced society only in terms of science.
  - To create an advanced society which takes the unified view of science and spirituality.**
  - To create a society without scientific and spiritual temperament among its people.
3. Which one of the following options is true, according to Dr. Vijay Bhatkar?
- It is important that science is taught without an element of spirituality
  - It is important that science is taught with religion
  - It is important that science and spirituality are taught together.**
  - It is important to teach science in isolation.

4. Which one of the following options is false as per the lesson 'Synthesis of Science and Spirituality'?
- We must understand that science is actually a process of acquiring valid knowledge.
  - 'Ayatharth Gyan' pertains to knowledge which is not there, or false knowledge.
  - Studying science means understanding Objective Reality
  - Science is a process of acquiring non-valid knowledge.**
5. According to Dr. Bhatkar, while one is scientifically studying 'the object', what are the other important questions that might arise in the course of understanding it?
- Who wants to know about the object?**
  - Subject is more important than object
  - Objective knowledge and Subjective Knowledge are not important at all; only spiritual knowledge matters.
  - An object has state and behaviour.
6. What did people say about Socrates as per the incident narrated by Dr. Bhatkar in 'Synthesis of Science and Spirituality'?
- People gathered around Socrates and affirmed that only he could tell them correct answers.**
  - People expressed reservations about Socrates' knowledge.
  - Socrates accepted what people said and maintained that he knows the answers of all the problems and he is the only knowledgeable person.
  - Socrates naively accepted that he knew nothing.
7. According to Dr. Bhatkar, which aspect of knowledge has been generally ignored by people?
- Validity
  - Rationality
  - Universality
  - Spirituality**
8. According to Dr. Bhatkar, which one of the following is true?
- Science is not connected with Spirituality
  - Science is deeply connected only with religion
  - Science is inferior to Spirituality
  - Science is not inferior to spirituality**
9. Tick the correct statement from the following based on the lesson 'Synthesis of Science and Spirituality'.
- 'Prapanchik Knowledge' means only the worldly knowledge
  - Prapanchik knowledge is related with the Pancha Mahabhutas.**
10. According to Dr. Bhatkar, which one of the following presents a unified view of Science and Spirituality?
- Newton's Theory
  - Galilio's Theory
  - Einstein's Theory
  - Quantum Computers**
11. How does Dr. Bhatkar admire the human eyes as the instrument gifted to human beings?
- It's a completely studied instrument
  - Normal human eyes cannot do the vision correction
  - In a single image eyes can capture only a miniscule data
  - Human eye is like various man made instruments such as microscope, telescope, and a radio telescope etc. together.**
12. According to Dr. Bhatkar, which of the following concepts are correct about 'Anuman'?
- Anuman is inference**
  - Logic is derived from Anuman
  - Only a
  - Only b
  - Both
13. According to Dr. Bhatkar, which of the following can be understood as a simile or a metaphor ?
- Anuman
  - Upman**
  - Shabd
  - Arthapatti
14. When you postulate that earth is round, your postulation is based on.....
- Anuman
  - Upaman
  - Shabd
  - Arthapatti**
15. According to Dr. Bhatkar, Consciousness can be studied as a subject in both Computer Science as well as Cognitive Science. State whether it is true or false?
- True**
  - False
  - Maybe.

# POETRY

---

## 1. Richard Cory - E. A. Robinson

- Which word exactly describes the townspeople in the poem 'Richard Cory'?
    - Content
    - unhappy
    - Satisfied
    - jealous**
  - Richard Cory had looks, power, respect, and money, yet he killed himself. Which literary device is used for describing the surprise ending?
    - Irony**
    - Alliteration
    - Foreshadowing
    - Allusion
  - Which quote proves that people were excited when Cory spoke to them?
    - "He was a gentleman from sole to crown."
    - "To make us wish that we were in his place."
    - "He fluttered pulses."**
    - "One calm summer night"
  - Which evidence proves that Cory treated everyone respectfully?
    - "We thought that he was everything."
    - So on we worked, and waited for the light.
    - "He was always human when he talked."**
    - "Clean and slim"
  - What is the best theme or message for the poem?
    - You can never be too careful.
    - Hard work is always rewarded.
    - Money and popularity cannot buy true happiness.**
    - It is never too late to change for the better.
  - What is the shocking end that comes at the end of Edwin Arlington Robinson's poem 'Richard Cory'?
    - Everyone dies
    - There is a marriage
    - Richard Cory commits suicide**
    - There is a funeral
  - Richard Cory was \_\_\_\_\_ by both men and women.
    - admired**
    - bullied
    - killed
    - None of the above
  - To whom does the poet compare Richard Cory in the poem?
    - a President
    - Hagrid
    - a King**
    - a townspeople
  - In line 3, "from sole to crown" means \_\_\_\_\_.
    - he is always a king
    - he thinks he wears an imaginary crown
    - from his feet to his head**
    - Symbolism of Kingship
  - What do the townspeople complain about not having in their meal?
    - Salt
    - Meat**
    - Spice
    - Oil
  - Which of the following is NOT a theme for Richard Cory?
    - People should be envious of the rich.**
    - Everything is not what it seems to be.
    - Wealth does not necessarily bring happiness.
    - The grass is not always greener on the other side of the fence.
  - In stanza 3, what does the word 'admirably' mean?
    - an act or instance of failing; failure
    - in a way that arouses or deserves respect and approval**
    - to do something in an irritating way; touchy.
    - in a way that shows lack of honor or integrity; disgracefully
-

## 2. Allow Sanity a Little Space - Sunil Kumar Navin

- According to the poet, on which account, has humanity shed more blood ?
  - Caste
  - Colour
  - Religion**
  - Nationality
- According to the poet, has humanity moved ahead from yesteryears in context with hatred and revenge?
  - Yes
  - No**
  - Partly yes
  - Partly no
- According to the poet, our weapons of war have.....
  - ensured peace
  - not ensured any peace**
  - helped us reach the moon
  - helped in the overall progress of humanity.
- What, according to the poet, God has given us hands for?
  - To work and produce**
  - To kill our fellow beings
  - To dig the well
  - None of the above
- In the poem, what does the word 'Insensate' mean?
  - Without human feeling**
  - Kind
  - Natural
  - proud
- According to the poet, why do we usually acquit ourselves to the act of guilt?
  - In love
  - In revenge**
  - In faith
  - In hatred
- The term, "Dreary desert" is metaphorically used for....
  - the stars
  - our world**
  - the moon
  - the mountains
- From the illustrations pertaining to the adverse effects of violence and bloodshed on humanity, the poet wishes to suggest that .....
  - we are expected to be reasonable in our behaviour**
  - we are expected to hate
  - we are expected to eulogize/ to praise people unreasonably.
  - None of the above
- During communal violence, women are brutally molested out of .....
  - jealousy and frustration
  - extreme hatred
  - an act of revenge
  - All of the above.**
- In the poem, *Allow Sanity a Little Space*, the world has been compared with .....
  - a wide stage**

Who is the ‘he’ referred to here?
- The Vicar
  - The Church-warden
  - The Duke
  - Edward Albert Foreman**

#### 4. Synthesis of Science and Spirituality by Dr. Vijay Bhatkar

1. What, according to Dr. Vijay Bhatkar, is unique about the Vedic perspective on science and spirituality?
- It is based only on science
  - It is based only on spirituality
  - Science can be understood without spirituality and spirituality can be understood without science.
  - Science cannot be completely understood without Spirituality and Spirituality cannot be understood without Science.**
2. What according to Dr. Bhatkar, is the objective of Humanity?
- To create an advanced society only in terms of Spirituality.

- To create an advanced society only in terms of science.
  - To create an advanced society which takes the unified view of science and spirituality.**
  - To create a society without scientific and spiritual temperament among its people.
3. Which one of the following options is true, according to Dr. Vijay Bhatkar?
- It is important that science is taught without an element of spirituality
  - It is important that science is taught with religion
  - It is important that science and spirituality are taught together.**
  - It is important to teach science in isolation.

4. Which one of the following options is false as per the lesson 'Synthesis of Science and Spirituality'?
- We must understand that science is actually a process of acquiring valid knowledge.
  - 'Ayatharth Gyan' pertains to knowledge which is not there, or false knowledge.
  - Studying science means understanding Objective Reality
  - Science is a process of acquiring non-valid knowledge.**
5. According to Dr. Bhatkar, while one is scientifically studying 'the object', what are the other important questions that might arise in the course of understanding it?
- Who wants to know about the object?**
  - Subject is more important than object
  - Objective knowledge and Subjective Knowledge are not important at all; only spiritual knowledge matters.
  - An object has state and behaviour.
6. What did people say about Socrates as per the incident narrated by Dr. Bhatkar in 'Synthesis of Science and Spirituality'?
- People gathered around Socrates and affirmed that only he could tell them correct answers.**
  - People expressed reservations about Socrates' knowledge.
  - Socrates accepted what people said and maintained that he knows the answers of all the problems and he is the only knowledgeable person.
  - Socrates naively accepted that he knew nothing.
7. According to Dr. Bhatkar, which aspect of knowledge has been generally ignored by people?
- Validity
  - Rationality
  - Universality
  - Spirituality**
8. According to Dr. Bhatkar, which one of the following is true?
- Science is not connected with Spirituality
  - Science is deeply connected only with religion
  - Science is inferior to Spirituality
  - Science is not inferior to spirituality**
9. Tick the correct statement from the following based on the lesson 'Synthesis of Science and Spirituality'.
- 'Prapanchik Knowledge' means only the worldly knowledge
  - Prapanchik knowledge is related with the Pancha Mahabhutas.**
10. According to Dr. Bhatkar, which one of the following presents a unified view of Science and Spirituality?
- Newton's Theory
  - Galilio's Theory
  - Einstein's Theory
  - Quantum Computers**
11. How does Dr. Bhatkar admire the human eyes as the instrument gifted to human beings?
- It's a completely studied instrument
  - Normal human eyes cannot do the vision correction
  - In a single image eyes can capture only a miniscule data
  - Human eye is like various man made instruments such as microscope, telescope, and a radio telescope etc. together.**
12. According to Dr. Bhatkar, which of the following concepts are correct about 'Anuman'?
- Anuman is inference**
  - Logic is derived from Anuman
  - Only a
  - Only b
  - Both
13. According to Dr. Bhatkar, which of the following can be understood as a simile or a metaphor ?
- Anuman
  - Upman**
  - Shabd
  - Arthapatti
14. When you postulate that earth is round, your postulation is based on.....
- Anuman
  - Upaman
  - Shabd
  - Arthapatti**
15. According to Dr. Bhatkar, Consciousness can be studied as a subject in both Computer Science as well as Cognitive Science. State whether it is true or false?
- True**
  - False
  - Maybe.
