Report on “National Science Day Celebration”

28th February 2018

PG Department of Microbiology, S. K. Porwal College of Arts Commerce and Science Kamptee organized a “National Science Day Celebration” on 28th February 2018 under the banner of Microbiology Society India. “The National Science Day” was celebrated to commemorate and honor the work of eminent Physicist Sir Dr. C. V. Raman; and in order to mark his outstanding contribution in the invention of Scattering of Light.

The event was organized under the guidance of Dr. Alok Rai, Teacher-Incharge of Microbiology Society. Principal of college, Dr. M.B. Bagade presides the event, while Dr. Rakesh Thakare, HOD department of Microbiology, Yashwantrao Chavan Arts, Commerce and Science College Lakhandur, Bhandara was as Guest of Honor. Dr. Ansari, Vice-principal and HOD of Biochemistry, HOD and PG coordinator, Dr. Arun Ingale, Dr. Ratiram Chaudhary, HOD and PG coordinator of department of Chemistry, Dr. Sudip Mondal, Mr. Sachin Yerpude, Mrs. Neha Deshattiwar, Mrs. Reetika Thakare, Mr. Ajay Potbhare, Mrs. Dhole and students of B.Sc and M.Sc. (Microbiology/Chemistry) were present in the event.

The event was delighted by inspirational words by Principal, he motivated students to understand the scientific concepts and inculcate science. Likewise, our Guest of Honor Dr. Rakesh Thakare shared an inspiring story of Nobel Laureate Dr. C.V. Raman. He also motivated and appealed students to learn the concepts of science, work hard, read standard reference books, and try to understand the concepts of sciences rather than mugging up. Moreover, On the occasion of National Science day various competitions and activities were organized and M.Sc. and B.Sc. students from department of Microbiology actively participated in this scientific gathering. In seminar competitions total **8 students from M.Sc. and B.Sc.** actively participated, Miss. Naina Kale, B.Sc Sem-I presented on “Bioremediation”, while Miss. Alka Ramesh Saroj, presented on “Raman Spectroscopy”. Another interesting presentation was given by Miss. Neha Deshattiwar research scholar; he explained the Antimicrobial activity of phytochemical against MDR specific strain. The program was conducted by Miss. Achal Jaiswal, while vote of thanks delivered by Miss. Mayuri Pandey.

The PG department of Microbiology organized the quiz competition that will inspire our students to renew their scientific temper. In this **26 students get participate** from UG and PG.

(MCQ TEST FOR UG)

Max. Marks: 50

Time: 30 Minutes

1) The principle light- trapping pigment molecule in plants, Algae, and cyanobacteria is

- a. Chlorophyll a b. Chlorophyll b
c. Porphyrin d. Rhodapsin

2) The first antibody to contact invading microorganisms was

- a. IgG b. IgM
c. IgA d. IgD

3) Salt and sugar preserve foods because they

- a. Make them acid
b. Produce a hypotonic environment
c. Deplete nutrients
d. Produce a hypertonic environment

4) Enzymes responsible for alcoholic fermentation

- a. Ketolase b. Zymase
c. Peroxidase d. Oxidase

5) In a fluorescent microscope the objective lens is made of

- a. Glass b. Quartz
c. Polythene d. None of these

6) Direct microscopic count can be done with the aid of

- a. Neuberg chamber b. Anaerobic chamber
c. Mineral oil d. Olive oil

7) The image obtained in a compound microscope is

- a. Real b. Virtual
c. Real inverted d. Virtual inverted

8) The term mutation was coined by

- a. Pasteur b. Darwin
c. Hugo devries d. Lamarck

10) The main feature of prokaryotic organism is

- a. Absence of locomotion
b. Absence of nuclear envelope
c. Absence of nuclear material
d. Absence of protein synthesis

11) The resolution power of the compound microscope is

- a. 0.2 micron b. 0.2 millimeter
c. 0.2 Angstrom units d. 0.2 centimeter

12) The term bacteriophage was coined by

- a. De'Herelle b. F.W. Twort
c. Beijernick d. Jwanosky

13) Thermal death time is

- a. Time required to kill all cells at a given temperature
b. Temperature that kills all cells in a given time
c. Time and temperature needed to kill all cells
d. All of the above

14) The ability of Microscope to distinguish two objects into two separate objects is called.

- a. Resolving power b. Wave length
c. N.A. d. None of these

15) Primary mediators in anaphylaxis

- a. Histamine b. Seratonin
c. Heparin d. All of these

16) The functions of plasmid are

- a. DNA replication b. Protein synthesis
c. Cell wall synthesis d. None of the above

17) The etiologic agent of botulism is a

- a. Neurotoxin b. Endotoxin
c. Enterotoxin d. All of the above

18) Rancidity in spoiled foods is due to

- a. Lipolytic organisms
b. Proteolytic organisms
c. Toxigenic microbes
d. Saccharolytic microbes

19) Protein particles which can infect are called

- a. Virons b. Prions
c. Nucleoida d. None of these

20) Endotoxin produced by gramnegative bacteria is present in

- a. Peptidoglycan b. Lippolysacharide
c. Theichoic acid d. Inner membrane

21) Which one of the following produce typical fried egg appearance colonies on solid media?

- a. Mycobacteria b. Mycoplasts
c. Mycoplasmas d. Bacteroides

22) The viruses that live as parasites on bacteria are

- a. Fungi b. Commensels
c. Bacteriophages d. None of these

23) A population of cells derived from a single cell are called

- a. Monoclonal cells b. Clones
c. Protoplasts d. Sub culture

24) Staining material of gram positive bacterium is

- a. Fast green b. Haematoxylon
c. Crystal violet d. Safranin

25) The pigment present in red algae is

- a. Rhodochrome
b. Fucoxanthin
c. Chlorophyll only
d. Chlorophyll + phycobilin

26) Role of bacteria in carbon cycle is

- a. Photosynthesis
- b. Chemosynthesis
- c. Breakdown of organic compounds
- d. Assimilation of nitrogen compounds

27) Congenital diseases are

- a. Diseases present at birth
- b. Deficiency disease
- c. Occur during life
- d. Spread from one individual to another

28) All prokaryotes are surrounded by a cell wall except

- a. Mycoplasmas
- b. Spherocetes
- c. Actinomycetes
- d. Methanogena

29) Thylakoid is present in

- a. Mitochondria
- b. Chloroplast
- c. ER
- d. Golgi apparatus

30) The apparatus used to maintain a continuous culture

- a. Chemostat
- b. Autostat
- c. Thermostat
- d. Both a and c

31) The most infectious food borne disease is

- a. Tetanus
- b. Dysentery
- c. Gas gangrene
- d. Botulism

32) Bacillus is an example of

- a. Gram positive bacteria
- b. Gram negative bacteria
- c. Virus
- d. Viroid

33) Cytochromes are

- a. Oxygen acceptors
- b. ATP acceptors
- c. Electron acceptors
- d. Protein acceptors

34) Gram staining is an example for

- a. Simple staining
- b. Differential staining
- c. Negative staining
- d. None of these

35) Cell wall of gram negative bacteria is

- a. Thick
- b. Lipids are present
- c. Teichoic acids are absent
- d. None of these

36) The motile bacteria is

- a. S. typhi
- b. K. pneumoniae
- c. B. anthracis
- d. Shigella

37) The stain used to demonstrate fungus

- a. Albert
- b. Nigerosin
- c. Lactophenol cotton blue
- d. None of these

38) Bacteria multiply by

- a. Spore formation
- b. Simple binary fission
- c. Conjugation
- d. Gametes

39) Endospores can be stained with

- a. Safranin
- b. Crystal violet
- c. Methylene blue
- d. Malachite green

40) Cell-wall is

- a. Thick in Gram positive than Gram negative
- b. Thick in Gram negative than Gram positive
- c. Equal in both
- d. In Gram negative cell-wall is absent

41) The order of stains in Gram-staining procedure is

- a. Crystal violet, Iodine solution, Alcohol, Safranin
- b. Iodine solution, Crystal Violet, Safranin, Alcohol
- c. Alcohol, Crystal Violet, Iodine solution, Safranin
- d. All of these

42) Gram positive bacteria appear as

- a. Pink
- b. Violet
- c. both a & b
- d. None of these

43) The study of algae is known as

- a. Algalogy
- b. Phycology
- c. Mycology
- d. Bacteriology

44) The best example for symbiotic association is

- a. E.coli in intestine of man
- b. Lichens
- c. Normal flora of skin
- d. All of the above

45) Acid fast bacteria are

- a. Neisseria
- b. Staphylococci
- c. Mycobacteria
- d. All of the above

46) HIV is belonging to

- a. Retro Viridae
- b. Rhabdo Viridae
- c. Toga Viridae
- d. Paramyxo Viridae

47) Ziehl – Neelson stain is a _____

- a. Simple stain
- b. Counter stain
- c. Differential stain
- d. None of them

48) The main difference in true bacteria and mycoplasma is that it does not possess –

- a. Flagella
- b. Cell wall
- c. ATP synthesis
- d. A capsule

49) What is the function of bacterial capsule?

- a. Production of organism from phagocytosis
- b. Helps in adherence of bacteria to surface in its environment
- c. Both a and b
- d. None of these

50) Dengue fever is caused by –

- a. Bacteria
- b. Virus
- c. Fungi
- d. Rickettsia

Report of Activity/Programme Conducted**NAME OF THE PROGRAM: "Workshop on "Reviewing Teaching Practices in Biochemistry"****Objective of Program:**

The program is intended for reviewing teaching Practices regularly. To articulate the knowledge and skills teachers want students to acquire by the end of the course. It allows teachers to transfer new knowledge and skills from short-term to long-term memory, and then keep it there.

Date of Activity	01/09/2018	Place of Activity	Hotel Durva, Bharukha Building, Above HDFC Building, Opposite Yashvant Stadium, Nagpur-440012
No of Teachers Participated	15		

Organised by Department of Biochemistry. Seth Kesarimal Porwal College of Arts & Science & Commerce, Kamptee

Collaboration: Teachers of Affiliated Colleges of University

The Department of Biochemistry, Seth Kesarimal Porwal College of Arts & Science & Commerce, Kamptee organized One Day Workshop on 1st September 2018 on "Reviewing Teaching Practices in Biochemistry" in which Biochemistry Teachers of Undergraduate Colleges affiliated to R.T.M. Nagpur University, Nagpur participated. Dr. Mrs. Hema Job, HOD, Biochemistry, Hislop College, Nagpur presided over. Convener of the workshop & HOD, Biochemistry of the college, Dr. A.H. Ansari also speaks on the occasion & thanks Principal Dr. M.B. Bagde for his guidance & help. Discussions on various agendas such as addition/deletion of topics, if any, in the Biochemistry syllabus of semester system, constituting an Association of Undergraduate Biochemistry Teachers, organizing a Conference, at least once in two years & starting Job oriented Certificate Courses in Biochemistry were carried out in the workshop. Dr. Mrs. Kakoli Upadhyay & Dr. Mrs. Ragini Chahande for nominating to the BOS, Biochemistry for the first time & Dr. Rahul Meshram & Dr. Utpal Dongre for award of the Ph.D. were felicitated during the program. Dr. Mrs. Shalini Chahande conducted the program while Dr. Mrs. Ragini Chahande proposed a vote of thank. Prominent amongst the other participants were Dr. A.A. Upadhyay, Dr. P. H. Zanwar, Dr. Mrs. A. Dhondge, Mrs. V.P. Zanwar, Mrs. B. A. Mehre, Dr. Mrs. Mashitha Pise, Dr. Deorath Begde, Mrs. Pallavi Pantawane & Shri Vivek Jedhe.

Outcome of Activity: Workshops provide overall continuous growth opportunities to the teachers to make the best use of their abilities.

REPORT ON BONSAI PREPARATION TECHNIQUES WORKSHOP

The Department of Botany organized a one day workshop on 'Bonsai Preparation Techniques' on 14th September 2018 at Library hall of the college. Prof. Anjali Phaley from L.A.D. College, Nagpur was invited as the chief guest and Resource person for it. Principal Dr. M. B. Bagade chaired the inaugural function. In his speech he spoke elaborately on the significance of this workshop and the role such workshops play towards the development of the students. He also encouraged the student for having the hobbies related to protection of the environment. He also announced that the college would give away prizes for Flower arrangement in the Extracurricular Activities.

Prof. Anjali Phaley gave a nice power point presentation on various aspects of Bonsai, right from its preparation to its aesthetic value which is a soul of Bonsai. She also showed how because of its miniature form, Bonsai could be used as an ornamental plant in the living room and balconies.

After her presentation she gave a live demonstration on two bonsai plants. She explained the method of plantation – potting and repotting and pruning. She also demonstrated how a desired shape will be given to a plant by simple tying and bending it by a wire. She also enlightened about dos and don'ts about Bonsai Preparations.

B.Sc. fifth semester students actively participated in the workshop of Bonsai making and enjoyed doing activities like plantations, soiling, layering pruning etc. under Phaley Madam's guidance. The departmental staff also helped the students in all these activities.

The head of the department and Convener of the workshop Dr. Jayshree Thaware gave timely instructions to the participants during workshop. About 150 students of B..Sc. CBZ and CBcM groups participated in the workshop and they really enjoyed it. Certificates of participation were given to them at the end of the workshop.

The programme was conducted by Dr. Rashmi Jachak. Prof. Prajakta Bobde introduced the guest whereas Sem 5th student Ms. Suchita Raj proposed the vote of thanks. The workshop is successfully completed with the breathtaking efforts of Mr. Bhaskar Bangre.

To,

The Principal,

S. K. PORWAL COLLEGE, KAMPTEL.

Nagpur.

Subject- Organising a Free Awareness Seminar regarding Air-Force Recruitments.

Respected Sir/Madam,

We at Yashshree Competition Zone are pleased to inform that we are taking a step ahead to serve the educational and career related needs of students after a successful pursuit of 20 long years. Through our sustainable study plans, we achieved great success by giving over 10000+ servicemen in our country (Central & State).

Currently, we are working at an awareness campaign for Air Force Recruitments through competitive exams which could prove as one of the best career option for future job seekers. We don't publicize these pursuits and is strictly between the educational institution and us to deal ahead.

We find it necessary to reach out to needy students who are always in search of competitive guidance. As we know, a helping hand always proves to be the beacon light for deserving students , we would like to have your support for the creation of a better society.

With Thanks,

Yours truly,

Administrator

About Colleges

About Seth Kesarimal Porwal College, Kamptee .

Shikshan prasark Mandal ,S. K. Porwal College of Arts

and Science and Commerce, Kamptee. Kamptee , is a satellite town of Nagpur, had very little educational culture in mid fifties. Seth Kesarimal Porwal col-

lege of Arts and Science and Commerce was started by Hon'ble Shri Nemkumarji Porwal in the

year 1965 to educate the students especially belonging to socially and economically backward sections of the society. The college also runs postgraduate courses. Students can pursue research to get PhD degree in chemistry and microbiology subjects. The management of the college, Teaching and non-teaching staff put all efforts to inculcate the best teaching practices. The college has been reaccredited by National Assessment and Accreditation council (NAAC), Bangalore with 'A' grade.

About Hislop College, Nagpur

The oldest and most venerable institution of the region, Hislop College was founded in 1883 at Nagpur. Rev. Stephen Hislop, after whom the college is named, was an Evangelist, Educationist

and Geologist. The college is run by the Hislop Education Society under the aegis of the Church of North India. It was the first institution to provide higher education in the Vidharbha region and even predates the RTM Nagpur university. A UGC Heritage Status Institution, Hislop College is NAAC reaccredited 'A' Grade College with CGPA of 3.31. Hislop College today stands in a glorious 21st century and is rendering more and more fruitful service in the field of educational and social reforms.

About V M V College, Nagpur

Shri Nagpur Gujarati Mandal, Founded in 1905, has the reputation of being the oldest organization in the Eastern Nagpur region fully dedicated towards the holistic development of the larger society.

The multi disciplined College, run by the mandal was founded in 1969 with 28 students. Today more than 6000 students are on roll pursuing studies from +2 levels to PG classes in various disciplines through Marathi, Hindi and English medium. College is committed to serve the society. The emphasis is on developing right attitudes and values of discipline, dedication and commitment among its members.

Webinar on Skill Development and Self Employment

12.08.2021

A webinar was held on 12th August 2021, organized by Department of Home Economics on the topic **Skill Development and Self Employment**. The Resource Person for the webinar was **Dr. Sadhana. K. Karhade**, Associate Professor and Head, Department of Home Economics, V.M.V. Commerce JMT Arts and JJP Science College, Nagpur. The resource person told different ways of developing skills and utilizing such skills for creation of self employment. There were 514 participants in the webinar.

Aim: To calm the people and give them ideas and encourage students and people of every age to start-up a business with the skill they have. How they can empower themselves with the skill they have and Promote PM's "Atma Nirbhar Bharat".

Outcome: The participants got to know about what are the new ways they can use their skills for employment. As we are facing Covid-19 and we have to wear masks so the people who are good in stitching can sell handmade masks, the people who are good in embroidery and painting can make customised mask. Those people good in making cakes can open a homemade cake business, and many more.

The participants got many good and new suggestions from the speaker, like how to self-employ themselves and earn even in this pandemic situation.

Webinar on Communication and Relationship Building Skills

‘Bhasha Abhyas Mandal’, of the College organized a webinar on the topic, ‘Communication and Relationship Building Skills’ on 4th February, 2022 at 12.00 noon. The Resource person was Dr. Archana Gupta, Professor in English, Smt. Binzani Mahila Mahavidyalaya, Nagpur. The webinar was conducted on the Zoom platform and was also live streamed on the official YouTube channel of the College.

Dr. Gupta dwelt on the importance of effective communication and guided the students on how to utilize it in life in order to ensure a successful career. Principal Dr. M.B. Bagade in his introductory remarks, lauded the initiative taken by the Cell to motivate the students. Dr. Azhar Abrar introduced the Guest-speaker. Dr. V.R. Shende conducted the webinar while the Convener of the Cell, Dr. Manish Chakravarty proposed a formal vote of thanks. Students and faculty members participated in this webinar in large numbers.

The image is a screenshot of a Zoom webinar. The main window shows a woman with glasses and a red jacket speaking. The Zoom logo is visible in the bottom right corner of the video frame. Below the video, the title 'Communication and Relationship Building Skills' is displayed, along with '326 views · Streamed live on Feb 4, 2022'. There are icons for '23' likes, 'DISLIKE', 'SHARE', and 'SAVE'. The bottom of the screen shows the Windows taskbar with various application icons and a search bar. On the right side, there is a 'Top chat reply' panel with a list of chat messages from participants, including names and their affiliations with Seth Kesarimal Porwal College.

The department of commerce of Seth Kesarimal Porwal College of Arts and Science and commerce, Kamptee, Nagpur, had organized a live webinar for its B. Com. and M. Com. students on the topic “All about Income tax Returns, Tax savings and investments”. This webinar was held on **16th February 2022 from 11 am to 1 pm**. It was also live-streamed on YouTube. Thirty Eight participants attended the webinar.

The purpose of the webinar is to give hands-on training to our students on inline income tax filling. The students also requested to give a brief introduction to the CA course. Hence it was also included in the webinar. The link to the zoom meeting was sent to the various what's up groups created by teachers of commerce faculty.

For this webinar, a well-known speaker CA Saket Bagadia, chairman Nagpur bench of ICAI was invited. The webinar was much awaited and received an overwhelming response from the students. The event was coordinated by Dr. Tushar Chaudhari.

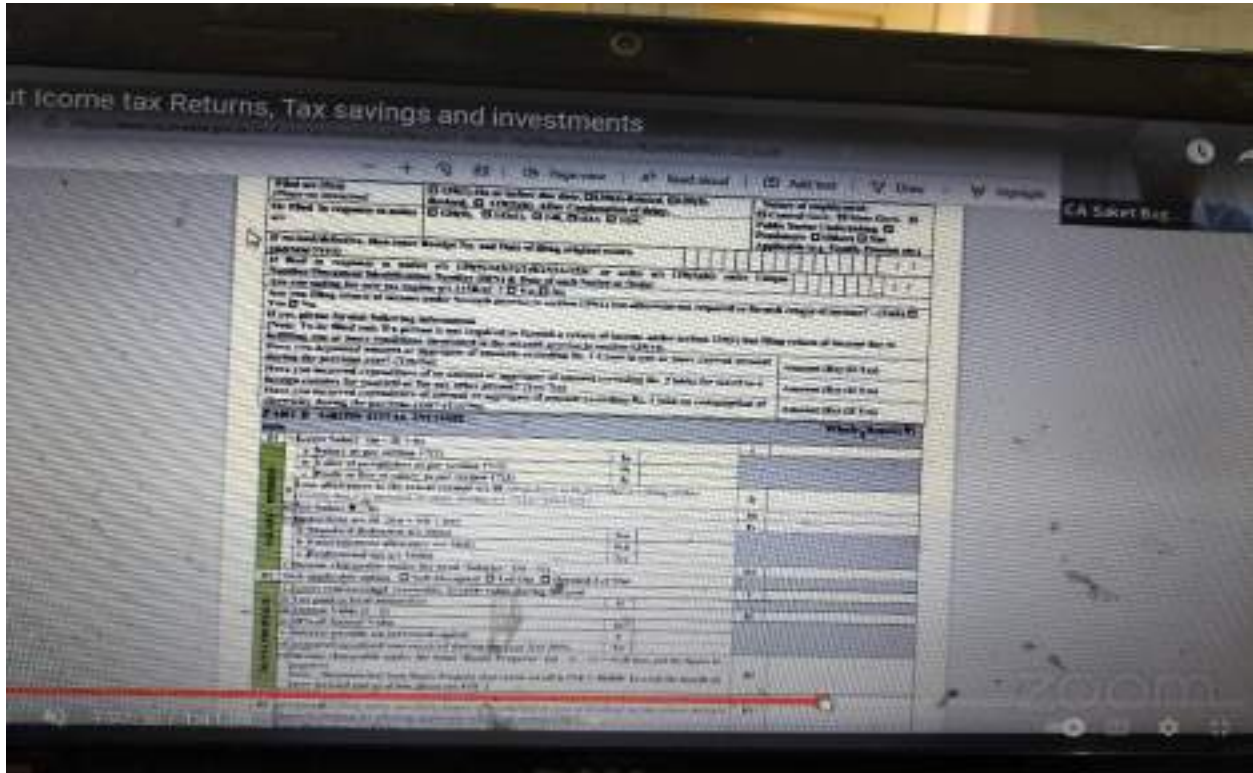

The webinar started in the due period at 11 AM. Dr. Tushar Chaudhari formally welcomed students; fellow colleagues and CA Saket Bagadia to the webinar. In his introductory speech, Dr. Tushar Chaudhari gave a brief introduction about the college and the department of commerce. After that Dr. Chaudhari requested Dr. I. R. Hussain, Head, Faculty of Commerce to give his remark. In his speech, Dr. Hussain stressed the fact that students must have practical knowledge of commerce. He also asked students to get knowledge of online tax filling and motivated students to take it seriously as it can earn some revenue for them.

Dr. Tushar Chaudhari then read the profile of CA Saket Bagadia. He gave a formal introduction of the speaker to the virtual gathering. He then went on requesting CA Saket Bagadia to deliver her speech.

At outset, CA Saket Bagadia thanked the principal Dr. M. B. Bagade sir, teaching staff of Porwal College for giving him the opportunity. He started his lecture in a lucid manner with the aid of power point presentation.

CA Saket Bagadia describes the various facts of Chartered accountancy courses. He also stated that students should take this career option seriously. He also stated the employment opportunities emerged from CA course. He gave a brief description of various subjects at various levels of the CA course. He stated that students can start at graduation level and have a prosperous career.

In the second half of the presentation CA Saket Bagadia gave a practical demonstration of online tax filing. He started with the creation of USER ID and PASSWORD required for online tax filing. He explained each and every element of online tax filing. It was an interactive session where he asked various questions to the students. He also cleared the doubts of students. He gave the training to calculate tax. The various sources of saving taxes were also discussed in this webinar. He stated that students must look tax saving options as investment option. During the session, students calculated the tax as per instruction given by the CA Saket Bagadia. After one and half-hour-long discussion, the session by CA Saket Bagadia ended. The webinar ended with a formal vote of thanks by Dr. Tarunya Multani

BACKGROUND AND RATIONALE:

The International Year of Basic Sciences for Sustainable Development-2022, focuses on these links between basic sciences and the Sustainable Development Goals. This is a unique opportunity to convince all stakeholders that through a basic understanding of nature, actions taken will be more effective, for the common good.

Agenda 2030 for Sustainable Development is the ambitious program that the Member States of the United Nations have agreed on to **ensure a balanced, sustainable and inclusive development** of the planet. **Basic sciences** have an important contribution to make to the implementation of this program. They provide the essential means to meet crucial challenges such as universal access to **food, energy, health coverage and communication technologies**. They enable us to understand the impact of the currently nearly 8 billion people on the planet and to act to limit, and sometimes even to reduce it: **depletion of the ozone layer, climate change, depletion of natural resources, extinction of living species**. **Applications of technology** are easy to recognize. On the other hand, contributions of basic, curiosity-based, sciences are not well appreciated. They are nonetheless at the basis of major technological advances that stimulate innovation, as well as essential for training future professionals and for developing capacity of populations who can take part in decisions that affect their future.

National Science Day is celebrated every year on February 28 to commemorate the discovery of the 'Raman Effect'. Many institutions organize open houses for their laboratories and appraise students about career opportunities available in a particular research laboratory/institution.

"Integration of Science is based on four pillars and these are- Coming together of all science ministries and departments to work on the theme-based approach of problem-solving, extended science integration aligned with **technical, engineering and medical institutes, extra science** integration that is aligned with Line ministries/departments of Central government and extended science-driven approach involving industries and start-ups leading to a sustainable future.

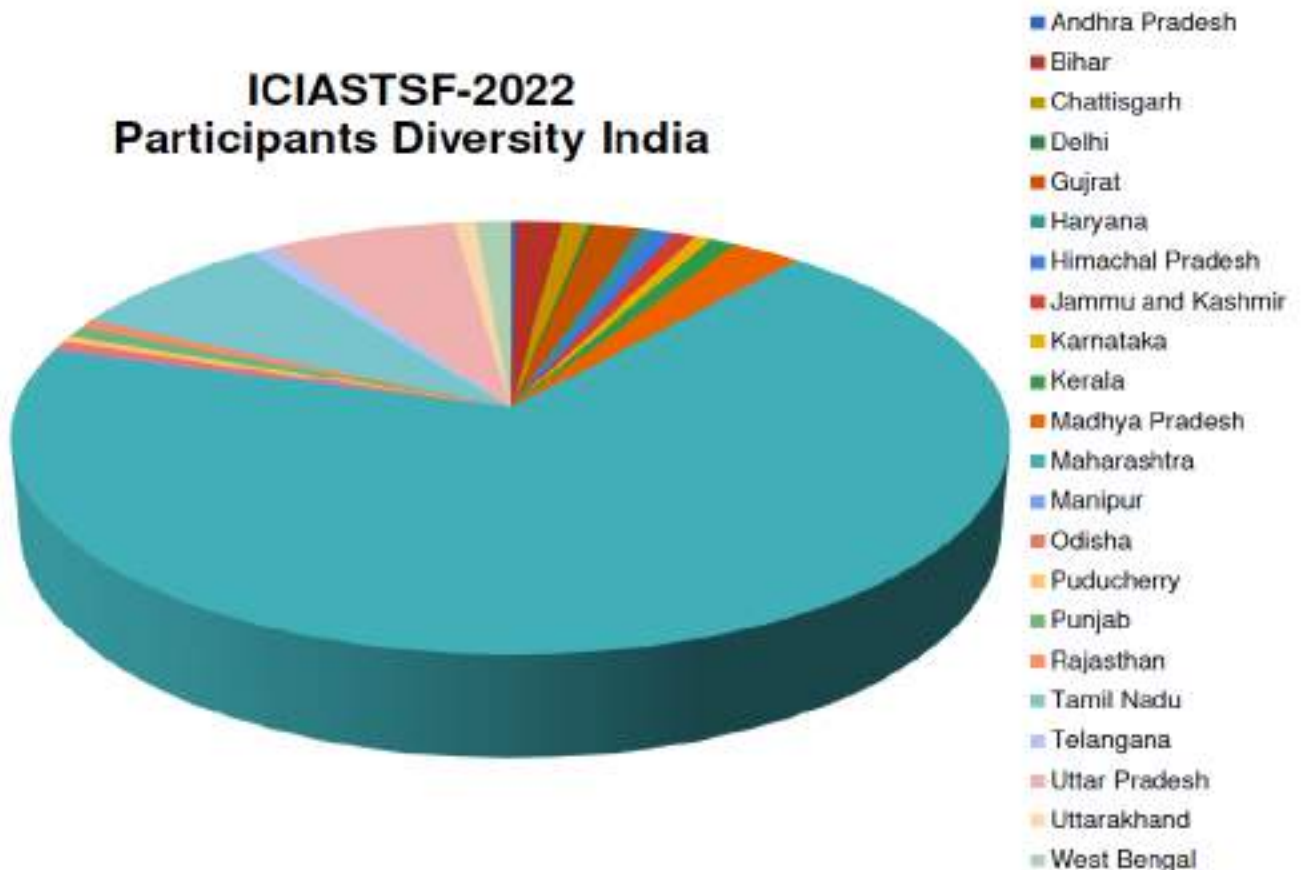

With this perspective, the **Dr. Ambedkar College, Deekshabhoomi in association with S. K. Porwal College of Arts, Science & Commerce Kamptee Nagpur, Priyadarshini J.L. College of Engineering Nagpur P.G.T.D of Molecular Biology & Genetic Engineering** RTMN University Nagpur organized Trans-disciplinary International Conference on the topic "Integrated Approach in S&T for Sustainable Future (ICIASTSF)" between 26th to 27th of Feb 2022 to celebrate the "National Science Day-2022 and International Year of Basic Sciences for Sustainable Development".

PARTICIPATION: The theme of this year’s conference proved popular, attracting 636 delegates-participants worldwide (The list of participants is available) representing government departments, academics, NGO’s, regional development agencies, local planning authorities, private consultants, cross-border networks, farming communities and local officials. The Faculties, Scientists, Research Scholars and Students from different disciplines were participated and shared knowledge in S&T for Sustainable Future.

INAUGURAL FUNCTION (Link: <https://youtu.be/hc7OAJcbx0Q>)

The Trans-disciplinary International Conference on Integrated Approach in S&T for Sustainable Future was jointly organized by Dr. Ambedkar College, Nagpur and S. K. Porwal College, Kamptee in association with Priyadarshani JL Engineering, and PGTD Genetic Engineering RTMNU Nagpur during 26-27th Feb. 2022. The conference was organized on eve of National Science Day Celebration. The conference received an overwhelming response from the different parts of India and overseas too. Received total registration 675 including Professors, Scholars, and Graduates student.

Dr. S. R. Chaudhari, Hon'ble Vice Chancellor, RTMNU, Nagpur was the President of the conference, and **Dr. Raju B. Mankar** Director, Laxminarayan Institute of Technology, Nagpur RTMNU, Nagpur & Hon'ble Ex-Vice-Chancellor, Dr. Babasaheb Ambedkar Technological University, Lonere–Raigad was the Chief Guest, while **Dr. S. R. Thakare**, Joint-Director, Higher Education, Nagpur (MS) was Guest of honor during the inauguration of ICIASTSF scientific mega event. All the dignitaries showered and inspired budding researchers with their invaluable and scientific motivational words to the participants. Moreover, guests appeal to the young minds who are at the forefront of academics and global welfare to work on scientific innovations for a sustainable future. Initially in her welcome address, **Dr. Mrs. B. A. Mehere**, Principal DACN explained the deliberations on organising the event on such a significant theme and welcomed all guests and the delegates. **Dr. S. R. Somkuwar** Convener ICIASTSF-2022 presented a brief introductory remark on the event. In the end, a formal vote of thanks was proposed by **Dr. M. B. Bagade**, Principal, Seth Kesrimal Porwal College, Kamptee.

Message

I am extremely delighted that Dr. Anboothar College Prasadachari P.J., College of Engineering and P.G.T.E. of Technical, Mining & Ceramic Engineering, Maharashtra, India, Nagpur, Nagpur University, Nagpur and S.R. Permal College, Karnataka are collectively organizing a two-day International Conference on "Integrated Approach in S&T for Sustainable Future (ICIASTSF)" during February 26-27, 2022 to celebrate the "National Science Day 2022 and International Year of Basic Sciences for Sustainable Development".

There is an unprecedented development in every field of science and technology and therefore concerted approach to integration of science & technology in the field of basic to value based learning focus in the current times to train sustainable future. It is essential that scientific institutions and also to extend the challenges and formulate pertinent research programs to face our tomorrow's needs in technological progression for a resilient for sustainable future.

I trust that the interaction between scientists, research scholars and academicians from different disciplines across the world will lead to some viable solutions for the benefit of human mankind. I congratulate the organizers and wish the Conference a great success.

'नैसर्गिक साधनांचा प्रगतीसाठी विचार झाला पाहिजे, अशा प्रगतीत राष्ट्रसंत तुकडोजी महाराज नागपूर विद्यापीठाचा मोठा कटा आहे', असे डॉ. मानकर म्हणाले. यावेळी एलआयटीचे संचालक डॉ. राघू मानकर, डॉ. आंबेडकर कॉलेजच्या प्राचार्या डॉ. बी. ए. मेहेरे, प्रियदर्शिनी जे. एल. इंजिनीअरिंग कॉलेजचे प्राचार्य डॉ. अशय शेंडे, डॉ. उत्पल शेंडे, विद्यापीठाच्या एमबीबीई विभागप्रमुख डॉ. डी. पी. वेगळे, डॉ. रवीराम चौधरी, सुभाष सोमकुवर, डॉ. राहुल कांबळे प्रमुख्याने उपस्थित होते. या परिषदेला देश-विदेशातील संशोधक आभासी पद्धतीने उपस्थित होते. कार्यक्रमभर संचालन डॉ. अर्चन मेघाम पाने केले. आभार डॉ. एम. बी. कांबळे यांनी मानले.

ALL THOSE WHO CONTRIBUTED TO THE CONFERENCE:

Thank You All For Your Help & Excellent Work!

Dear respective **guests, participants, colleagues and college authorities**, your presence and timely help make this event a great success. Your enthusiasm and positive spirit helped make our time together both productive and methodical with the ICIASTSF-2022 to celebrate “National Science Day-2022” & “International Year of Basic Sciences for Sustainable Development”

It was certainly a great privilege for Dr. Ambedkar College, Deekshabhoomi Nagpur to host this conference in association with S. K. Porwal College of Arts, Science & Commerce Kamptee Nagpur, Priyadarshini J.L. College of Engineering Nagpur, P.G.T.D of Molecular Biology & Genetic Engineering RTMN University Nagpur and to welcome the distinguished attendees. It was also a great opportunity for us all to listen to the outstanding keynote and plenary speakers of the conference.

It is fair to conclude that the conference was a great success! So many people have contributed in so many ways to turn this event into a smoothly running meeting with many interesting plenary lectures and a very good atmosphere for discussion and networking.

We thank all the eminent speakers, presentation session judges, and participants for their generosity and interest in the conference. The ICIASTSF-2022 organizing team of the **DACN, SKPCK, PJLCE and P.G.T.D MBGE-RTMNU** are especially thanked for their high-quality scientific & technological support. You as participants are thanked for all your great scientific input and for many fruitful discussions and scientific interaction.
